CORPUS CHRISTI ROUND ROBIN NOGI GRAPPLING CHAMPIONSHIP

Saturday, November 4, 2017

Dear Masters, Instructors, Parents and Students,

It is my great pleasure to welcome you to the Corpus Christi Round Robin NoGi Grappling Championship

This competition is Grappling only! This allows fighters to come to a tournament and compete against **everyone** in their division. Example: If you have 5 competitors in your division, you will fight 4 times, win or lose. The competitor with the most wins will be the first place winner; the competitor with the second most wins will be second place, and so on. This format allows a competitor to prove his/her fighting skills and gain practice needed for future tournament participation. No more going to a tournament and fighting one match, and then going home. Let's come to spar, and spar some more.

We are requiring everybody to PRE-REGISTER. Competitors that wish to compete and do not **pre-register** will incur a \$10.00 late fee. **Late registrations will be accepted at the door.** Matches should start on time and there will be no forms competition at this tournament.

Come join me for the 1st annual Corpus Christi Round Robin Nogi Grappling Championship featuring the "round robin competition." Once again all rings will be matted.

All events are scheduled. Competitors are free to come and go, as no division will start prior to its scheduled time.

To make registration easier, we are offering secure online registration. You may register at www.CCroundrobin.com. Online Registration will be open until Thursday before the tournament. However, to avoid a late fee, you must pre-register on or before October 29, 2017.

Please visit www.CCroundrobin.com for a fight schedule and/or any other information.

Sincerely,

Master Raymond Lumampao
Tournament Director
Lumampao Martial Arts

RULES

EBI Rules – the basics

- Matches are 3-minutes
- Submission only – no points
- If nobody gets a submission, we go to overtime rounds.

No Leg submission's and No Neck Cranks.

EBI Overtime Rules

- Competitors flip a coin to decide who goes first
- Competitors choose to start attacking from the back or 'spiderweb' position (armbar)
 - Competitors take turns to attack from chosen position
- If one competitor submits, and the other does not (opponent escapes), he is declared winner
- If both competitors escape, we move to the next overtime round (maximum 3 overtime rounds)
- If there are no submissions at the end of the three overtime rounds, the competitor with the fastest combined escape time wins the match.
